

# Anti-Poverty Steering Committee Named

By [RANDY GORBMAN \(/PEOPLE/RANDY-GORBMAN\)](#) • MAR 24, 2015

The new local anti-poverty initiative is moving forward with the announcement today that a steering committee has been formed. The announcement comes from State Assembly Majority Leader Joe Morelle, Rochester Mayor Lovely Warren, and Monroe County Executive Maggie Brooks.

The 26-member steering committee will be made up of representatives from health and human services, academia, business, government and labor. They will help develop a new comprehensive approach to eradicating poverty in Monroe County.

Officials say in the coming week, that committee will be announcing the formation of workgroups that will focus on jobs, education, workforce training, housing, safe neighborhoods, and other areas the initiative will focus on.

## Rochester-Monroe Anti-Poverty Initiative Steering Committee Members:
