NEW: FEMA is partnering with New York State to administer 1,000 COVID-19 vaccine doses per day to eligible individuals starting March 3 at 1345 Saint Paul St. in Rochester. Appointments are required.

The first week of appointments is limited to people living in specific zip codes with lower vaccination rates: 14603; 14604; 14605; 14606; 14608; 14609; 14611; 14613; 14614; 14615; 14619; and 14621. Following the first week,

appointments will be open to all eligible residents. Reserve an appointment via phone (New York State COVID-19 Hotline: 1-833-NYS-4-VAX (1-833-697-4829) or on the [Am I Eligible app](#). Community members calling from within Rochester city limits may dial 311 for assistance in making appointments.

The [Finger Lakes COVID-19 Vaccine Hub](#) provides information about eligibility, area vaccination sites, the science behind vaccine development and more.

A massive number of general and clinical volunteers are needed to help with vaccine distribution. Visit the [United Way of Greater Rochester's](#) website to find information as they are leading local efforts to recruit and organize the COVID-19 Vaccine Volunteer Force.

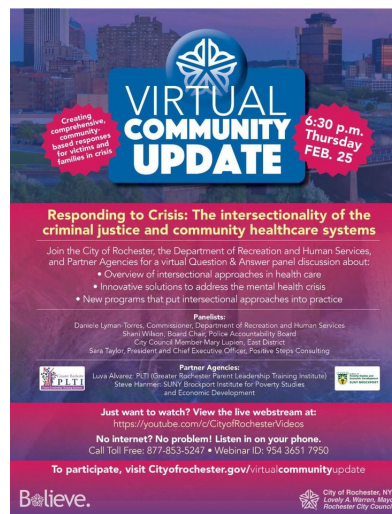

[The Society of Refugee Healthcare Providers](#) has compiled information about COVID-19 for patients in multiple languages, both in print and video. Materials are gathered and updated regularly from resources around the world and available for viewing and sharing [here](#).

[Monroe County](#) continues to provide free, rapid COVID tests for residents who are asymptomatic. Click [here](#) for more information.
