

Responsive Grants 2026 Call for Ideas: Additional Resources

Greater Rochester Health Foundation is actively gathering information to better understand the potential impacts on our communities from the various policies and actions being implemented at the federal level – below are a few resources that may be helpful.

- We have posted a variety of resources to support nonprofits including grant writing support, financial management and capacity building on our website: [Greater Rochester Health Foundation – Resources For Nonprofits](#)
- Rochester Area Community Foundation has compiled a list of resources for those serving immigrant communities: [Resources & Support for Immigrants](#)
- The [National Council of Nonprofits](#) provides useful information and guidance as shifts are taking place, including a chart to track executive orders and how they may affect nonprofits: [National Council of Nonprofits Executive Orders Chart](#)
- Bringing ideas from economics and strategic management to the specific application of issues faced by social purpose organizations, [National Center on Nonprofit Enterprise](#) addresses economic challenges facing nonprofit organizations
- A trusted partner for resources and nonprofits to accelerate impact: [Nonprofit Support Group](#)
- [Funds for NGOs](#) details how meaningful community engagement strengthens proposals by demonstrating community support and alignment
- [IAP2 Spectrum of Public Participation](#) is a tool outlining levels of community engagement – from informing to empowering – to guide decision-making processes
- [Nonprofit Financial Commons](#) is a national peer-led network of nonprofit finance leaders and others to share knowledge, ideas, and experiences
- The [NYS Office of Language Access](#) oversees and coordinates statewide language assistance services to ensure residents with limited English proficiency can access government programs and benefits
- Harvard Business Review has released articles/guidance on the shifts in DEI and use of language:
 - [How to Assess the New Legal Risks of Your DEI Policies](#)
 - [The Legal Landscape Around DEI is Shifting. Your Messaging Should, Too](#)

The Health Foundation encourages organizations to align your approach and language to follow your funding sources. If you have any questions or concerns, please feel free to reach out to us.
